Dear Mr. Morris:

Re: Request to Expedite Bathhouse Approval, Genwal Coal Company,
ACT/015/032-88B, File #2, Carbon County, Utah

The Division has received a request from Genwal Coal Company to expedite the approval of their underground bathhouse facility and new portal (copy attached), proposed within the text of the five-year permit renewal package, which was forwarded to you on February 22, 1988.

The Division has no problems with handling this as a separate approval and plans to complete its review by May 10, 1988. Please provide any written or verbal comments you may have on this plan by that date.

If you have any questions, please contact me or James Leatherwood.

Sincerely,

A handwritten signature in cursive script, reading "Susan C. Linner".
